

## **Foot Washing Servants**

Greetings Women of GOD;

On behalf of Pastors Calvin and Linda Watson, Minister Natasha Gibson and myself (Evangelist Rose Watson), I want to express our deepest thanks to each one of you for saying yes to God for the opportunity to serve Him, by ministering to His daughters. We so appreciate you. Know that as you humbled yourselves in God's presence on earth, He raised you with honor in heaven! Because you served with a heart of love and obedience you brought Glory to Him! Every woman in attendance was blessed. Once again, Thank you for serving, may God's Favor continue to Grace your lives

Sincerely,
