How do VKL Men “Role” for God:

- Understanding Man’s **Role** in the home
- Understanding Man’s **Role** in the church
- Understanding Man’s **Role** as a role model
- Understanding Man’s **Role** as a leader

In the home, man has a **role** of accountability as being the provider, he is held accountable by God as the steward of the home; he is the protector; the strength; He is the primary Spiritual Warrior; the pillar of faith. His relationship with God should be evident.

In the church, man has a **role** as a mentor to the younger men; a liaison to church leadership and a surrogate of the church’s mission and goals.

In general, at all times man should consider himself a **role** model, in the home, in the church, in the community, and on the job; he should demonstrate best practices and have a well established transparent prayer life.

In the home, in the church, on the job, and in the community, man should establish himself not only in a **role** as a leader, but a Christian leader; a man of God; a mighty man of valor;

Keep on Rolling!!!!!!!!!!!!
